Dear CCSD 46 Community,

I write today with a very heavy heart in the wake of the shooting at the Highland Park parade. It is simply astounding to realize that just six weeks ago, we were communicating about the horror of a different mass shooting.

At this time, we are not aware of any members of our community who have been specifically affected, but of course there are likely many connections between CCSD 46 and Highland Park. Please note that I have reached out to our neighbors in North Shore District 112 and Township High School District 113 to offer support from our school community.

Events such as this shooting impact each one of us differently. I am again sharing [this link](#) as a resource for supporting your children. I also want to take this opportunity to remind you about Care Solace, a complimentary and confidential mental health care coordination service provided by CCSD 46. If a CCSD 46 family member is in need of support in relation to this shooting, or for any other mental health or substance abuse issue, Care Solace can help. To find a mental health care provider, contact [#CareSolace](#), at 888-515-0595 or [www.caresolace.com/ccsd46](http://www.caresolace.com/ccsd46). Please also feel free to reach out to the school district office at 847-223-3540 if your family is in need of support.

CCSD 46 is a community that supports each other and Lake County as a whole, and it is during times like these that we pull together and are grateful for each other.

Most sincerely,

Dr. Lynn Glickman  
Superintendent  
CCSD 46
