ACCREDITATION

The American Camping Association (ACA) is an organization with members in all 50 states that accredits all types of organized camps. Camps are accredited based on the administration, policies, and camp operation — particularly those related to program practices and quality along with health and safety of campers and staff.

The standards establish guidelines for needed policies, procedures, and practices. The Hastings Lake YMCA Day Camp staff is committed to providing a camp program that meets the highest standards established for the camping industry.
