

# GRAYSLAKE BIKE RODEO

**MAY 11**  
**12 - 2 PM**

Grab your helmet and pedal on over to the Grayslake Village Hall to go through multiple stations about bicycle safety! Geared towards kids 10 and under, our Bike Rodeo is meant to teach kids how to safely start, brake, be aware of their surroundings and check their helmets and bikes, as well as inform them about general cycling etiquette.

The Bike Rodeo rotations begin at 12 and 1 pm.

Parents and kids will be entertained by the Wheelmen, an organization that rides High Wheel bikes from the 1800s!

This event FREE but please register on <https://GrayslakeBikeRodeo.eventbrite.com> to save your spot!

Thank you to the Bicycle Club of Lake County.
