565 Frederick Road, Grayslake, IL 60030

CCSD 46 **3-5 MILE** Supply Lists **2024-2025**

As CCSD 46 continues to explore processes through an equity lens, we determined the grade level supply lists needed more continuity. The list below applies to all CCSD 46 schools.

Schools and individual teachers will typically not be requesting additional items for families to purchase. A few specialized programs or teachers of students with individual learning plans across the district may be requesting some additional or alternative supplies. These will be communicated directly to the families from those teachers before school begins.
