Bridge the Gap in Traditional Education with Real-Life Success at Home

*... No More Fear That Your Kids Are
Missing Out On Key Skills*

Love of Lifelong Learning, Practical Life Skills, Critical Thinking, Emotional Intelligence, Useful Tech Habits, and Creativity is what #LifeSkillsNow is all about!

"Life-changing: my 14-year-old finally got the concept of, 'This is mine, I'm responsible for this.'" - Teri J.

#LifeSkillsNow hosts dozen of experts with curated, safe content, no ads!

Families find that kids and even teens are so motivated, parents don't have to push, cajole, or bribe. They beg for more!

What Virtual Summer Camp Will be Like

1. Set your own schedule.
2. Watch **short video lessons** for kids, teens, or parents (5-30 min.).
3. Get actionable missions from expert camp leaders.
4. Print or read handouts (all learning styles appreciated!).
5. Enjoy hearing about the ACTION your kids take in the world, **off screens and with imagination at full power!**
