

Student Handbook Letter

September 2025

Dear Students and Guardians:

It is both the responsibility and the pleasure of Community Consolidated School District 46 to inform all families regarding district policies and practices. In an effort to both inform you and conserve resources, the 2025-2026 Student Handbook is available on our website at <https://d46.org/student-handbook/>. We will continue to provide printed paper copies of the handbook to families who request them.

This handbook contains important information including the district mission statement, philosophy, goals and responsibilities, school calendar, school contact information, and an overview of programs, policies, and student and parent responsibilities.

Please read the 2025-2026 Community Consolidated School District 46 Student Handbook and sign/complete the following form.

The following forms are also available on our website if they are applicable to your child:
