What is Fast Paced?

CLC's Fast Paced gifted program offers:

- intellectual challenge and growth;
- academic rigor and complexity; and
- social/emotional awareness and support

through weekly 90 minute classes on the Grayslake and Vernon Hills CLC campuses. Fall classes take place September 22-November 13.

Is Fast Paced for me?

Middle School students must score in the 95th percentile or above in one or more subjects on a nationally normed, standardized grade-level achievement test (e.g., MAP, STAR, Iowa).

Eligible students, identified by their school district or CLC, must appear on the official list or provide proof of qualifying scores and current grade at registration.

If not notified but eligible, families can send documentation to CWP.FastPaced@CLCillinois.edu
