

CCSD 46 DISTRICT NEWS

OCTOBER 8, 2025

Fostering Future Educators

In September, over 50 students from the College of Lake County visited Grayslake Middle School to observe and learn about middle school education. The CLC “Intro to Education” class students visited classrooms, observed teaching methods, spoke with students and administrators, and were invited to a Q&A session to ask questions and learn more about becoming a middle school teacher.

Grayslake Middle School has collaborated with Dr. Michelle Proctor at CLC for several years to bring future educators to GMS and provide them with an experience of what being a middle school teacher entails. This program offers an excellent opportunity for CCSD 46 teachers to share their knowledge with future educators and continue to foster strong community relationships with our educational partners.

MPAC FALL FESTIVAL COMMUNITY EVENT

The CCSD 46 Multilingual Department, in conjunction with the Multilingual Parent Advisory Committee, invites all Multilingual Families to our **Fall Festival and Community Resource Fair.**

This event promises to be a delightful evening filled with fun activities for students and valuable resources for parents. We sincerely hope you can join us for this wonderful occasion! It's not just an event, it's an opportunity to connect, learn, and celebrate our vibrant community.

Date: Thursday, October 30, 2025

Location: Prairieview School
103 E Belvidere Road,
Hainesville

Time: Doors open at 5:45 p.m.

PARENTSQUARE ACCOUNT ACTIVATION

Important Information!

The district will soon share parent-teacher conference sign-ups and report cards through ParentSquare. Please make sure your account is activated to access these features. If your account is not activated, you will receive an email invitation on Friday, October 10. Please click the link in the email to activate your account.

If you need additional information on ParentSquare, please watch this helpful video [Parents—Getting Started Video](#) and download the [Parent/Guardian Getting Started Guide](#).
