CCSD 46 Announces Dr. Alfonso Carmona as New Superintendent of Schools

At the November 19, 2025, Board of Education meeting, the Community Consolidated School District 46 Board of Education named Dr. Alfonso Carmona as the new superintendent of schools, to succeed Dr. Lynn Glickman, who will retire in June 2026, after leading the district for seven years.

Dr. Carmona is currently the Acting Chief Education Officer at Chicago Public Schools (CPS) and the former Chief Portfolio Officer for CPS. He is set to join CCSD 46 in July 2026. The selection is the result of a national search conducted with the assistance of the Libertyville-based educational search firm BWP & Associates, which produced many qualified applicants from diverse geographic and professional backgrounds.

“

"Dr. Carmona brings a distinguished record of educational leadership and a deep commitment to equity, innovation, and student success," said CCSD 46 Board of Education President Dr. Stephen Mack. "His collaborative leadership style and focus on continuous improvement align strongly with the values and mission of CCSD 46. We are pleased to welcome Dr. Carmona to the Community Consolidated School District 46 family."

Dr. Carmona, originally from Colombia, has served CPS as the chief portfolio officer for three years. Before that, he served as principal at Healy Elementary School in the Bridgeport neighborhood, served as superintendent of St. Augustine Prep in Milwaukee, Wisconsin, and was a bilingual teacher at Inter-American Magnet School in the Lakeview neighborhood.

Dr. Carmona holds a Doctor of Education (Ed.D) in educational leadership and administration from Western Illinois University, a Master of Education in Educational Leadership and Administration from the American College of Education, a Master of Education in Instructional Leadership from the University of Illinois at Chicago, and a Bachelor's in economics from the University of Cartagena, Colombia.

The Board of Education extends its sincere gratitude to all who participated in the extensive search process. Over the past year, the Board worked with the search firm of BWP, Inc., to conduct surveys, focus groups, and stakeholder conversations. It collected a wide range of feedback that helped craft a leadership profile for the next Superintendent. The Board considered and used this feedback and information closely during the interview process.

We are confident that Dr. Carmona's experience, vision, and dedication will lead our district forward and strengthen our shared commitment to academic excellence, community partnership, and the success of every learner.

Please join us in welcoming Dr. Alfonso Carmona to the Community Consolidated School District 46 family.
