READ FOR TOMORROW

Winter Challenge 2026 | January 5 - February 28

What's the challenge?

- Read for 30 days between January 5 and February 28 and launch into a reading adventure where anything is possible!
- This is a retro-futuristic theme inviting you to imagine bold tomorrows, limitless multiverses, and futures we haven't yet discovered.
- Any reading counts, your 30 days don't have to be in a row, and you can log past days anytime!

How do I complete it?

- Register for the challenge on the Beanstack app or stop by the library to pick up a paper log.
- Log every day you read until you reach 30 days.
- Complete the challenge to receive your grand prize drawing ticket.
