JANUARY 21, 2026

## 2026-2027 Registration Now Open!

We are excited to announce that Online Registration for the 2026-2027 school year is now open! CCSD 46 offers a **\$25 Early Bird discount** for families that complete the online application and submit payment before May 22nd, the last day of school.

Please remember that for registration to be complete for the upcoming school year, the Online Registration application must be submitted with necessary supporting documents, and payment or a payment plan must be received. Schedules and transportation assignments will not be released in August until registration is complete.

Pre-K students must complete the Early Childhood Screening and qualify for one of the early childhood programs PRIOR to completing the registration application. For more information regarding the Early Childhood program, please contact the Early Childhood Center at (847) 543-6204.

### Returning Family Registration

If a child in your family has currently or previously been enrolled in CCSD 46, you can access registration through your Infinite Campus [parent portal](#). If you do not have an account or have forgotten your password, please contact your child's school.

Online registration is completed as a family. If you are enrolling new students from your family or your student is moving buildings, they are still considered continuing students and all students in the family are completed through the same application.

### New Family Registration

If you have never had a student enrolled in a CCSD 46 school, you will complete a [New Family Registration](#) form.

More information about registration can be found on the district website's [Registration](#) and [Frequently Asked Questions](#) pages.

## **TWO-WAY DUAL LANGUAGE PROGRAM BEGINS FOR 26-27 KINDERGARTEN**

Beginning in the 2026-2027 school year, CCSD 46 is offering a Two-Way Dual Language program for incoming kindergarten students to be held at Prairieview and Avon Center School.

All families of incoming kindergarten students who are interested in the program should plan to attend one of the upcoming informational sessions, which highlight the program design, instructional practice, student selection process, and program commitment details.

Families should also check the box "Interest in two-way dual language" during the Online Registration process. By checking the box, you will receive information regarding the student selection process for two-way dual language.

## **TIPS FOR CLEANING AND CARING FOR STUDENT CHROMEBOOKS**

As Chromebooks are an essential part of our students' learning experience, it's important to charge them every night and keep them in good condition. Proper care and regular cleaning help ensure these devices remain functional and last throughout the school year. Below are some helpful tips for maintaining your student's Chromebook.

### **Cleaning Your Chromebook**

#### **Turn It Off First**

Before cleaning, ensure the Chromebook is powered off and unplugged from any charger.

#### **Use a Microfiber Cloth**

To clean the screen and exterior, use a soft, lint-free microfiber cloth. This prevents scratches and removes dust or smudges effectively.

#### **Avoid Harsh Cleaners**

Do not use bleach, ammonia-based cleaners, or abrasive materials. For tougher spots, lightly dampen the cloth with water or a solution of 70% isopropyl alcohol and gently wipe the surface.

### **Caring for Your Chromebook**

#### **Keep It in Its Case**

Always store the Chromebook in its provided protective case when not in use. This helps prevent accidental drops, scratches, and other damage.

#### **Avoid Overloading the Screen**

Do not place items like pens, papers, or chargers on the keyboard before closing the Chromebook. This is a common cause of screen damage.

#### **Charge It Regularly and Safely**

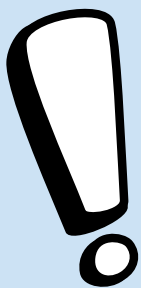

Chromebooks should be charged every night to ensure they are ready for learning. Plug and unplug the charger carefully, and avoid bending or twisting the charging cable. Always charge the Chromebook on a flat, stable surface.

#### **Store It Properly**

When not in use, store the Chromebook in a secure, dry location away from food, drinks, and extreme temperatures.

#### **Report Issues Promptly**

If your student notices a problem with their Chromebook, encourage them to report it to their teacher immediately to prevent further damage.

Following these tips, students can keep their Chromebooks in top shape and ensure they are ready for learning every day.

**Thank you for helping us maintain these valuable tools!**

### AI FAMILY SURVEY

CCSD 46 is exploring how Generative AI or Artificial Intelligence tools (such as ChatGPT, Google Gemini, etc.) may be used in our schools, and we'd love to hear from you! Families are invited to share their thoughts through this [brief survey](#).

Your feedback will help guide how we develop clear expectations and guidance for students and staff around the safe and responsible use of Generative AI. Thank you for being a partner in shaping the future of learning in our district.

### CCSD 46 COMMUNITY BREAD TAG COLLECTION DRIVE

CCSD 46 schools are collecting plastic bread tags from January through the end of the school year as a kindness project. Plastic bread tags are not recyclable through household recycling and are not biodegradable. They go into the trash *and stay in the trash*.

**Danielle Cares for Chairs** is an organization in Indiana that takes the bread tags to a special recycling center and then uses the proceeds to buy adaptive tools, such as wheelchairs, for children in Indiana and Illinois.

It takes over **250,000 bread tags** to purchase a wheelchair - let's see what the CCSD 46 community can do!

Bread tags can be turned in to any CCSD 46 school through May 22, 2026. Thank you for your support!

**BREAD TAG COLLECTION**

CCSD 46 schools are collecting plastic Bread Tags to support Danielle Cares for Chairs.

Bread Tags can be turned in to any CCSD 46 school through the end of the school year.

Let's see what the CCSD 46 community can do!

## NOTE FROM FOUNDATION46

Nominations are now open for the Foundation46 Tom Meskel Commitment to Education Award. Submissions are due by February 28, 2026. In 2014, Foundation46 established an annual tradition to honor a community member who exemplifies a deep commitment to enriching and advancing education over a lasting period of time. The award recognizes an individual within the CCSD 46 community who embodies the belief that “it takes a village” to nurture and support the education of children.

Named for the late Tom Meskel, an educator, volunteer, school board member, and an unmatched advocate for education, the Tom Meskel Commitment to Education Award symbolizes the dedication to educational excellence and the vital presence of community collaboration.

Foundation46 is looking for someone in our community who:

- Demonstrates a deep belief that it takes a village to support and nurture the educational journey of children.
- Has shown consistent long-term dedication to fostering a collaborative, community-centered approach to education.
- Embodies the values of shared responsibility for educational growth and the success of future generations.

The background of the poster is a rustic barn interior with wooden walls and floors. Warm string lights are strung across the top and sides. A large, ornate chandelier hangs from the ceiling. In the foreground, there is a blue denim cloth with several large, clear diamonds scattered on it. To the left, a brown cowboy boot and a light-colored cowboy hat with a jeweled band are visible. To the right, a brown bull with large horns is standing on a red inflatable ring.
