

Curious about a preschool that blends Science, Technology, Engineering, Art, and Math with hands-on, play-based learning while aligning with the Illinois Early Learning and Development Standards and supporting kindergarten readiness?

## Join us for our STEAM Preschool Open House!

 **March 12**

 **5:00–7:00 PM (stop by anytime!)**

 **31 Park Avenue**

**(Classrooms in the basement of St. Andrew's Church)**

Come tour our classrooms and see how we spark curiosity, creativity, and problem-solving in our preschoolers every day. This is a great opportunity to ask questions, explore our program, and see if our STEAM-based preschool is the right fit for your family.

 **No appointment needed**

 **Families welcome**

**We can't wait to meet you!**
